Introduction

1. School Model Pay Policy

1.1 This *model* pay policy provides a framework to be adapted by individual schools to suit their own circumstances. It is therefore set out as a school pay policy and refers to the “Governing Body”, rather than the “relevant body”. The policy is intended to be easily amended to cover circumstances where the relevant body is the LA.

2. Purpose

2.1 School Governing Bodies are required by law to adopt a pay policy which sets out the basis on which they will determine teachers’ pay in their school. The policy should include an appeal procedure for dealing with grievances arising from the application of this pay policy. The policy is also intended to support the prime statutory duty of the Governing Body which is to conduct the school with a view to promoting high standards of educational achievement.

2.2 The Policy has been developed by Lewisham Schools’ Human Resources to help governors and other school leaders understand how teachers are paid under the terms of the School Teachers’ Pay and Conditions Document. This policy also includes information on support staff pay and awards.

2.3 The Governing Body of [redacted] School will act in accordance with the Nolan principles of public life: selflessness; integrity; objectivity; accountability; openness; honesty and leadership. With due respect for the confidentiality of the process, decisions will be made in the best interests of the school; governors will be open about decisions made and actions taken and will be prepared to explain decisions and actions to interested persons. Its procedures for determining pay will be consistent with these principles.

3. Equalities Legislation and Policies

3.1 This Pay Policy will be applied as supplemented by specific provisions outlined in the relevant legislation and contained within various other policies and guidance which the Governing Body are required to comply with:-

- The current School Teachers Pay & Conditions Document and the Guidance on School Teachers’ Pay and Conditions issued by the Secretary of State
- The School’s Reorganisation, Redeployment and Redundancy Policy
- The Teachers’ Pension
- The Education (School Teachers Appraisal) (England) Regulations 2012
- The Teachers Appraisal Policy
- The Teachers Capability procedure
- The Schools Appraisal Policy
- Conditions of Service for School Teachers in England and Wales (The ‘Burgundy Book’)
- Employment Relations Act 1999
- Equality Act 2010
- Employment Rights Act 1996 (as amended)
- The Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000
- The Fixed-term Employees (Prevention of Less Favourable Treatment) Regulations 2002
- The Agency Workers Regulations 2010
- Localism Act 2011
- Transfer of Undertakings (Protection of Employment) Regulations 2006
- The NJC National Agreement (“Green Book”) which applies to support staff
- The Data Protection Act 2018
- General Data Protection Regulation.

3.2 The Governing Body will promote equality in all aspects of school life, particularly regarding all decisions on advertising of posts, appointing, promoting and paying staff, training and staff development.

3.3 The Governing Body will ensure that its processes are open, transparent and fair. All pay decisions must be made using objective criteria so that there is no discriminatory effect on any teacher or group of teachers with a protected characteristic under the Equality Act 2010. Adjustments will be made to take account of special circumstances, e.g. an absence or maternity or long-term sick leave. The exact adjustments will be made on a case-by-case basis and will be legally compliant. The Governing Body will monitor the equalities implications of decisions taken in the operation of this policy and will provide an annual Equalities Assessment and forward to Lewisham Schools' HR to enable a borough-wide Equalities Impact Assessment to be produced which will be shared with the Trades Unions.

3.4 Equalities impact assessments to be produced by school by 31st January. Refer to attached model document for teachers and support staff at Appendix 7

3.5 Refer to 'Governing Body obligations' (Paragraph 17 of this policy) in relation to monitoring the impact of this policy.

4. London Living Wage

4.1 The Council has made a commitment to work with the Living Wage Foundation and Citizens UK to be a fully accredited London Living Wage employer. This also applies to procurement and the contracting and sub-contracting of services, not just for the Council but also for schools within the borough.

This school supports the Council policy to pay employees an hourly rate no lower than the London Living Wage as defined by the Mayor of London.

Please note that all hourly rates on the Greater London Provincial Council (GLPC) Pay Scale for support staff on job evaluated grades are above the LLW.

4.2 The school supports the Council's commitment to pay staff an hourly rate no lower than the London Living Wage as defined by the Mayor of London

- Ensure that all directly employed staff over the age of 18 (other than apprentices or interns) are paid no less than the Living Wage.
- Increase the amount paid to employees by the same amount as any increase to the Living Wage, within 6 months of the date on which any increase in the Living Wage is officially announced.
- Notify all affected employees of the date of the next increase within one month of the official announcement.

4.3 For staff employed by contractors and sub-contractors, whichever body procured the contract (Council/School) will need to ensure that the measures in 4.2 above are implemented within an agreed period of time after the formal signing of the Accreditation Licence. Employees of contractors and sub-contractors are defined as staff who provide a service to or on behalf of the Council/School and involving 2 or more hours of work in any given day in a week, for 8 or more consecutive weeks in a year.

5. Principles – All School Staff Principles and Objectives

5.1 This model pay policy is not intended to duplicate either the School Teachers' Pay and Conditions Document ("STPCD") or the Green Book; however, there are some sections within the STPCD which are discretionary. This Policy will indicate how Governing Bodies will apply this.

5.2 The school recognises the need to manage pay equitably and will ensure through this policy that pay has a positive influence by undertaking to:

- a. support the school's development including current priorities and ensure a high quality of teaching and learning.
- b. demonstrate that all pay decisions are made consistently and fairly, in compliance with anti-discrimination legislation;
- c. ensure that appropriate arrangements are made for staff to appeal against any pay decision affecting them personally, and for such appeals to be heard by a panel of governors whose members have not been involved previously in the decision against which an appeal is made;
- d. to use the locally agreed pay scales, together with any discretions agreed at a school level available to them, to best advantage to recruit and retain the highest quality staff at the appropriate rate of pay;
- e. all staff will be given reasonable access to their employment records;
- f. to ensure that all staff have confidence that they are receiving fair and equal treatment;
- g. each support member of staff is provided with a job description in accordance with the structure agreed by the Governing Body which will be reviewed considering the changing needs of the school. Job descriptions may be reviewed from time to time, in consultation with the individual employee concerned, in order to make reasonable changes in the light of the changing needs of the school. Job descriptions will identify key areas of responsibility. Best practice is to review all job descriptions annually as part of the appraisal process;
- h. to inform staff of changes to their pay;
- i. to ensure that staff are aware of the procedures within which pay decisions are made and that any appeals arising from decisions on remuneration are addressed objectively, fairly and within agreed timescales.
- j. The school should develop robust appraisal documents that reflect the requirement of the policy and show clearly how decisions and support have been provided and applied.

5.3 All appointed teachers are paid in accordance with the STPCD as updated from time to time. A copy of the latest version may be found at the school or on-line at: <https://www.gov.uk/government/publications/school-teachers-pay-and-conditions>

6. Long Service Awards

6.1 The governing body has agreed to grant a long service award up to the value of £320 for staff who are eligible. Please refer to the Long Service Award guidance for further information and eligibility criteria.

7. First Aid Allowance for staff

7.1 Staff are entitled to a first Aid Allowance provided they are qualified first aiders are required to carry out first aid duties.

8. Working days for 2025/26

8.1 A teacher employed full-time must be available for work for 195 days of which:

- a) 190 days must be days on which the teacher may be required to teach pupils and perform other duties;
- b) 5 days must be days on which the teacher may only be required to perform other duties;
- c) those 195 days must be specified by the employer or, if the employer so directs, by the headteacher.

In the current academic year, a part time teacher's availability to work should be pro-rated to 1265 hours.

9. Staffing Structure

9.1 The school has agreed a staffing structure for all staff working at the school and this is attached at [Appendix 5](#) (to be added by each individual school). The structure ensures that there is appropriate line management of all staff.

9.2 The work to be undertaken by each post holder and the outcomes to be achieved will be set out in a role profile, along with a person specification setting out the criteria for each post. Generic role profiles are available from Schools HR.

10. Appraisal (Teachers)

10.1 The Governing Body will comply with The Education (School Teachers' Appraisal) (England) Regulations 2012 concerning the appraisal of teachers. Assessment will be based on evidence from a range of sources (refer to the school's appraisal policy). Although the school will establish a firm evidence base, there is a responsibility on individual teachers and appraisers to work together.

10.2 The Executive Head/Head Teacher will moderate objectives to ensure consistency and fairness; the Executive Head/Head Teacher will also moderate appraisal assessment and to ensure consistency and fairness.

11. Annual Determination of Pay (Teachers)

11.1 All teaching staff salaries, including those of the Head, Deputy Head(s) and Assistant Head(s) will be reviewed annually to take effect from 1 September. The Governing Body should complete teachers' annual pay reviews by 31 October and the Head Teacher's annual pay review by 31 December. There may be exceptional circumstances where these dates cannot be complied with and in such circumstances the process will be completed without undue delay.

12. Notification of Pay Determination (Teachers)

12.1 Decisions will be communicated to each member of staff by the Head Teacher/Line manager in writing in accordance with Part 1, paragraph 3.4 (**P1. para 3.4**) of the STPCD and will set out the reasons why decisions have been taken. The current STPCD 2025 indicates this should be no later than one month after the pay determination. Decisions on the pay of the Head will be communicated by the Pay Committee, in writing, in accordance with **P1. para 3.4**. An instruction to amend pay from the relevant date will be issued immediately after the time limit for the lodging of an appeal has passed, or immediately after an appeal has been concluded. (see section 57 of this document for appeals)

13. Appraisal (Support Staff)

13.1 Standards in schools are raised through the effective development of all staff. Unlike the appraisal process for teachers and headteachers, which is a statutory requirement, there is no nationally agreed process governing the appraisal process of school support staff who are supporting teaching staff. However, the Lewisham Appraisal scheme which may be adopted by schools provides a framework that reflects good practice.

- 13.2 The scheme is a cyclical process taking place over 12 months and commencing each academic year or following the school planning process. It is open to all non-teaching employees in a Lewisham school and is separate from the probation process outlined in support staff statements of particulars.

14. Grading of Support Staff Posts

- 14.1 This pay policy does not apply to the grading of the posts of support staff. The school will consult Lewisham Schools' HR about the grading of all support staff posts in accordance with the requirements of the School Standards and Framework Act 1998. The school recognises for collective bargaining purposes the support staff trade unions which are represented on the trade union side of the National Joint Council for Local Government Services (NJC). Support staff are employed under the terms of the NJC National Agreement ("the Green Book") and associated London and Lewisham Agreements.
- 14.2 The school will be mindful of their obligations under equal pay legislation when making recommendations about support staff pay and grading. In putting together the role profile for a post, the school will refer to the Council's job evaluated role profiles and associated guidance. Where the school wishes to employ support staff to take on a new kind of role that does not have a direct comparator within the Council, it will consult Lewisham Schools' HR at the point of determining the role profile to carry out a job evaluation. Grades will be set in accordance with job evaluations, in order to comply with the school's equal pay obligations.
- 14.3 The school will cooperate with the Council's job evaluation appeal procedure as this is a requirement of the nationally agreed conditions of service for support staff

15. Notification of Pay Determination (Support Staff)

- 15.1 There is no statutory requirement for a written annual pay determination for support staff. Employees on former APT&C scales shall be entitled to progress to the top of their pay scale in accordance with existing arrangements for incremental progression. (See Support Staff Section, starting p27 of this document)

16. Procedures

- 16.1 The Governing Body will determine the annual pay budget on the recommendations of the Pay Committee.
- 16.2 The Governing Body has delegated its pay powers to the Pay Committee. The Pay Committee will comprise at least three governors.
- 16.3 Any person employed to work at the school, other than the Head, must withdraw from a meeting at which the pay or appraisal of any other employee of the school, is under consideration. The Head Teacher must withdraw from that part of the meeting where the subject of consideration is his or her own pay. A relevant person must withdraw where there is a conflict of interest or any doubt about their ability to act impartially.
- 16.4 The Pay Committee will be attended by the Head in an advisory capacity. Where the Pay Committee has invited either a representative of the LA or an external adviser to attend and offer advice on the determination of the Head Teacher's pay, that person will withdraw at the same time as the Head Teacher while the committee reaches its decision. Any member of the committee required to withdraw will do so.
- 16.5 The terms of reference for the Pay Committee will be determined from time to time by The Governing Body. The current terms of reference are:

- to achieve the aims of the whole school pay policy in a fair and equal manner;
- to apply the criteria set by the whole school pay policy in determining the pay of each member of staff at the annual review;
- to observe all statutory and contractual obligations;
- to minute clearly the reasons for all decisions and report the fact of these decisions to the next meeting of the full Governing Body;
- to recommend to the Governing Body the annual budget needed for pay, bearing in mind the need to ensure the availability of monies to support any exercise of pay discretion;
- to keep abreast of relevant developments and to advise the Governing Body when the school's pay policy needs to be revised;
- to work with the Head in ensuring that the Governing Body complies with the Appraisal Regulations 2012 (teachers).
- To have a secure evidence base for any pay decisions and that all record retention arrangements are robust and compliant with the Data Protection Act 2018 and the principles of the General Data Protection Regulation.
- Review a Pay Policy for all members of staff, in line with HR advice and make recommendations to the full Board.
- Ensure those staff who do not meet the requirement for pay progression (under capability proceedings) have a formal support package put in place to ensure improvement
- Assess any application for the upper pay range received and make a determination, based on the headteacher's recommendation and in line with the pay policy, on whether the teacher meets the criteria
- Undertake salary reviews at any other time the governing board directs that there is a need to do so
- Consider the salary appropriate for new posts within the school, in line with similar posts already in place
- Inform the board of approved salary decisions, to ensure inclusion in the budget.
- Monitor the outcomes and impact of the pay and appraisal policies on a regular basis annually, including trends in progression across specific groups of teachers to assess its effect and the school's continued compliance with equalities legislation. Above to be shared with Lewisham Schools' HR

16.6 The report of the Pay Committee will be placed in the confidential section of the Governing Body's agenda and will either be received or referred back. Reference back may occur only if the Pay Committee has exceeded its powers under the policy.

17. Governing Body Obligations

17.1 The Governing Body will fulfil its obligations to:

- **Teachers:** as set out in the STPCD and the Conditions of Service for School Teachers in England (commonly known as the 'Burgundy Book').
- **Support staff:** the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service (Green Book) (subject to any local variations) or any LA pay/grading Policy.

17.2 The Governing Body will need to consider any updated pay policy to ensure it can be applied consistently and that their pay decisions can be objectively justified.

17.3 The school's budget setting process will not be used to restrict decisions about an individual's pay decision. Schools in financial difficulty in awarding pay should alert the appropriate person at the LA.

17.4 The Governing Body will monitor the outcomes of pay decisions, ensuring the school's

continued compliance with equalities legislation. The findings will be shared and discussed with Lewisham Schools' HR and the trade unions. It is recommended that this is completed by Spring 1 of each academic year.

- 17.5 The Governing Body will ensure that the process of determining the remuneration of the Headteacher, Deputies and Assistant Headteachers is fair and transparent. A written record will be made which will set out the rationale of the reasoning behind the determination of the pay range and any discretionary payments made to those in Leadership Posts.
- 17.6 The Governing Body will follow statutory guidance on determining the Headteacher group size and consequential pay range, where a Headteacher is permanently responsible and accountable for more than one school and on determining the pay of a Headteacher temporarily accountable for more than one school.
- 17.7 The individual pay range for Headteachers will be set within the overall leadership pay range and within one of the eight school groups. The individual pay range for Deputy and Assistant Headteachers may be located anywhere within the overall leadership pay range.
- 17.8 The Governing Body will need to determine the pay range for their school.
- 17.9 The Governing Body is responsible for formal approval of the pay policy.

18. Reassessing the pay of the leadership team

- 18.1 Where the Governing Body re-assesses a pay range of a Leadership Post, it will ensure that the process of determining the new remuneration is fair and transparent. There will be a written record made of the reasoning behind the determination.
- 18.2 Where a Leadership Post vacancy arises, the Governing Body will use the relevant provisions to determine the pay range for the post and consider whether it is appropriate to re-assess the pay of others in the Leadership Team. Similarly, pay ranges for existing post holders should be reviewed whenever a significant change in responsibilities occurs.

19. Executive Head/Head Teacher/Head of School's Obligations

- 19.1 The Head Teacher will:
 - develop clear arrangements for the appraisal process and consult with staff and school union representatives on the appraisal and pay policies;
 - ensure that the school's Senior Leadership Team (SLT) as appropriate are briefed on the application of the Governing Body's approach to ensure consistency of approach to the appraisal process and annual cycle of pay progression.
 - submit any updated appraisal and pay policies to the Governing Body for approval;
 - ensure that effective appraisal arrangements are in place and that any appraisers have the knowledge and skills to apply procedures fairly;
 - Staff should be informed promptly of any concerns about performance at an early stage and providing support to achieve an improvement
 - submit pay recommendations to the Governing Body and ensure the Governing Body has sufficient information upon which to make pay decisions;
 - ensure that teachers are informed about decisions reached; and that records are kept of recommendations and decisions made;
 - keep records of all staff objectives and review them throughout the appraisal process;

- ensure annual appraisals are carried out for staff in accordance with the Schools adopted Appraisal Policy/policies..

20. Teacher's Obligations

20.1 A teacher will:

- engage with appraisal; this includes working with your appraiser to ensure that there is a secure evidence base
- keep records of your objectives and review them throughout the appraisal process;
- share any evidence you consider relevant with your appraiser;
- ensure that you actively participate in your annual appraisal

21. Support Staff Obligations

21.1 Support staff will:

- have any evidence they consider relevant with their appraiser;
- ensure they have an annual review of their performance; engage in regular supervision;
- engage in continuous development opportunities;
- share knowledge/skills with their peers.

22. LA Support Obligations

22.2 The Local Authority will:

- support schools where there are significant difficulties;
- support the determination of pay awards where required;
- ensure there is consistency and fairness regarding the determination of pay within schools;
- support schools where equal pay issues arise;
- support pay appeals where required.

23. Differentials

23.1 Appropriate differentials will be created and maintained between teaching posts within the school, recognising accountability, job role and its complexity, and the Governing Body's need to recruit, retain and motivate sufficient employees of the required quality at all levels. However, it would be in exceptional circumstances only that a deputy/assistant head's pay range would overlap with the Head's.

23.2 Support staff's jobs are subject to the GLPC job evaluation scheme where adopted.

24. Discretionary Pay Awards

24.1 Criteria for the use of pay discretions are set out in this policy and discretionary awards of additional pay will only be made in accordance with these criteria.

25. Safeguarding

25.1 Salary safeguarding will be paid to eligible teachers in line with the provisions of the STPCD.

26. Leadership Group

- 26.1 Executive Head Teachers, Head Teachers, Deputy Head Teachers, Heads of School (locally named) and Assistant Head Teachers employed at the school shall be paid on the salary ranges determined in accordance with the provisions of the STPCD.
- 26.2 Where consideration is given to the Head Teacher being appointed to as a Head Teacher of more than one school, either on a temporary or permanent basis then the provisions of the STPCD will apply.
- 26.3 The Governing Body will appoint an external adviser who will support governors in carrying out the annual review of the Executive Head Teacher/Head Teacher appraisal. The review will be conducted in accordance with the School's appraisal policy.
- 26.4 Pay progression after an appraisal is automatic for all staff within their pay range, including Early Career Teachers (ECTs), and will be awarded on an annual basis, every two years for staff on the Upper Pay Range.

27. Teaching staff

Pay Increases Arising from Changes to the School Teachers Pay and Conditions Document

- 27.1 All teachers are paid in accordance with the statutory provisions of the STPCD as updated from time to time.
- 27.2 In line with the recommendations in the STRB's 34th Report, from 1 September 2025 a 4% increase will be applied to all pay and allowance ranges and advisory points. All pay uplifts will be back dated to 1 September 2025.
- 27.3 Performance related pay has been removed as a requirement from September 2024.
- 27.4 All pay uplifts will be backdated to 1 September 2025.
- 27.5 In addition to the pay award, the STPCD 2025 and accompanying guidance includes the following:
- changes to calculation of TLR 1 and 2

28. Leadership

Headteachers pay

Pay on appointment

- 28.1 The pay committee will review the school's head teacher group and the head's pay range in accordance with **P2.paras 4, 5, 6 and 8** (ordinary school), or **P2.paras 4, 5, 7 and 8** (special schools).
- 28.2 If the head teacher takes on permanent accountability for one or more additional schools, the pay committee will set a pay range in accordance with the provisions of **P2.paras 6.6 or 7.9**.
- 28.3 For appointments on or after 1 September 2025, the pay committee will determine a pay range, taking account of the full role of the head teacher (**P2.paras 6 and 7**), all permanent responsibilities of the role, any challenges that are specific to the role and all other relevant considerations (**P2.para 9.2**), including recruitment issues. The pay committee will take into account the factors set out in Appendix 6 when determining an appropriate pay range. It will also take account of any other considerations it feels

are relevant and minute carefully its decisions and reasons for those decisions.

- 28.4 The pay committee will consider using its discretion, in exceptional circumstances only, to exceed the 25 per cent limit beyond the maximum of the group range when setting the pay range for the head teacher, as set out in **P2.para 9.3**. However, before doing so, it will make a fully-documented business case and seek external independent advice and liaise with Lewisham Schools' HR.
- 28.5 The pay committee will use reference points within the pay range.
- 28.6 At the appointment stage, candidate specific factors will be considered when determining the starting salary. If necessary, the governing body will adjust the pay range to ensure appropriate scope of 7 reference points, for pay progression.
- 28.7 The pay committee will have regard to the provisions of **P2.para 9.4** in particular and will also take account of any other permanent payments, made to staff within the school to ensure that appropriate differentials are created and maintained between posts of differing responsibility and accountability. The pay range for a deputy or assistant headteacher should only overlap the headteacher's pay range in exceptional circumstances, e.g. where there have been historic determinations to a deputy or assistant headteacher's pay range made under a previous STPCD.
- 28.8 The pay committee will consider the use of temporary payments for clearly time-limited responsibilities or duties only, in accordance with **P2.para 10**.
- 28.9 The total sum of the temporary payments made to a head will not exceed 25 per cent of the annual salary which is otherwise payable to the head; and the total sum of salary and other payments made to a head must not exceed 25 per cent above the maximum of the head teacher group, except in wholly exceptional circumstances.
- 28.10 The pay committee may determine that temporary and other payments be made to a head which exceeds the limit above in wholly exceptional circumstances and with the agreement of the governing body. The governing body will seek external independent advice before providing agreement.

Serving headteachers

- 28.11 The pay committee will only re-determine the pay range of a serving head teacher, in accordance with **P2.paras 4.1, 4.2 & 9** of the Document, if the responsibilities of the post change significantly, or if the pay committee determines that this is required to maintain consistency with pay arrangements for new appointments to the leadership team made on or after 1 September 2025, or with pay arrangements for a member(s) of the leadership group whose responsibilities significantly change on or after 1 September 2025.
- 28.12 It will also re-determine the pay range if the group size of the school increases, or if the head takes on permanent accountability for an additional school(s) (**S3.para 8**, with reference to **P2.paras 4-11**).
- 28.13 If the pay committee re-determines the head teacher's pay range, it will take account of all indefinite responsibilities of the post, any specific challenges and all other relevant factors, including retention issues. The pay committee will take into account all these factors when determining an appropriate pay range. It will also take account of any other considerations it feels are relevant and minute carefully its decisions and reasons for those decisions.
- 28.14 The pay committee will consider using its discretion, in exceptional circumstances, to exceed the 25 per cent limit beyond the maximum of the group range, as set out in

P2.para 9.3. However, before agreeing to do so, it will make a fully-documented business case and will seek external independent advice and liaise with Lewisham Schools' HR.

- 28.15 The pay committee will use reference points within the pay range and will leave at least 3 reference points for pay progression.

The pay committee will review the head teacher's pay in accordance with **P2.para 11** of the Document (**and S3.para 27**) whether or not to increase the salary of members of the leadership group who have completed a year of employment since the previous pay determination and if it determines to do so to what salary within the relevant pay range determine in accordance with **P2. para 4.4** and where applicable 5.3 and 9.1 having regard to the results of the most recent appraisal report carried out in accordance with the appraisal regulations 2012 .

- 28.19 The pay committee may determine that additional/temporary payments be made to a head which exceeds the limit above in wholly exceptional circumstances and with the agreement of the governing body. The governing body will seek external independent advice before providing agreement.

Executive Headteachers

- 28.20** The Headteacher group for permanent Executive Headteachers is determined by calculating the total unit score for all the pupils across all schools in accordance with **P2.paras 6.6, 7.9, 8 and 9; and S3.paras 8, 9 and 11**.

29. Head of School / Deputy / Assistant headteacher pay Pay on appointment

- 29.1 For appointments on or after 1 September 2025, the pay committee will determine a pay range, taking account of the full role of the deputy/assistant head teacher (**S3.para 10**), all permanent responsibilities of the role, any challenges that are specific to the role and all other relevant considerations (**P2.para 9.4**), including recruitment issues (**P4.para 27.3**).
- 29.2 The pay committee will use reference points within the pay range.
- 29.3 At the appointment stage, candidate specific factors will be considered when determining the starting salary. If necessary, the governing body will adjust the pay range to ensure appropriate scope of 5 reference points, for pay progression.
- 29.3.1 The pay committee will consider whether the award of any additional payments are relevant, as set out in **P4.para 26** of the Document and **S3.paras 60 to 69**.
- 29.4 The pay committee will exercise its discretion under **P4.para 27** of the Document to

award payments for reimbursement of reasonably incurred housing or relocation costs.

Serving deputy/assistant headteachers

- 29.5 The pay committee will review and, if necessary, re-determine the deputy/assistant head pay range where there has been a significant change in the responsibilities of the serving deputy/assistant head teacher or to maintain consistency with pay arrangements for new appointments to the leadership group. or to maintain pay arrangements for a member(s) of the leadership group whose responsibilities significantly change.
- 29.6 As under previous STPCDs, the pay range of a deputy or assistant head teacher is not linked to the group size of the school other than a deputy/assistant head teacher's pay range can't exceed the group range for the school.
- 29.7 You can only review the pay range for a serving deputy or assistant head teacher in the following circumstances:
- When there is a significant change to the responsibilities of the serving deputy/assistant head teacher
 - When there's a need to maintain consistency with pay arrangements for new appointments to the leadership group
 - When a member(s) of the leadership group whose responsibilities significantly change on or after that date.
- 29.8 When determining the pay range of a serving deputy/assistant head, the pay committee will take account of all permanent responsibilities of the role, any challenges that are specific to the role and all other relevant considerations (**P2.para 9.4**), including recruitment and retention issues (**P4.para 27**).
- 29.9 The pay committee will consider whether the award of any additional payments is relevant, as set out in **P4.para 26** of the Document and **S3.paras 60 to 69**.
- 29.10 Where there are recruitment issues, the pay committee will exercise its discretion under **P4.para 27** of the Document to award payments for reimbursement of reasonably incurred housing or relocation costs.

30. Acting allowances

- 30.1 Acting allowances are payable to teachers who are assigned and carry out the duties of head, deputy head or assistant head in accordance with **P4.para 23** of the Document. The pay committee will, within a four week period of the commencement of acting duties, determine whether or not the acting post holder will be paid an allowance. In the event of a planned and prolonged absence, an acting allowance will be agreed in advance and paid from the first day of absence. Any teacher who carries out the duties of head, deputy head, or assistant head, for a period of four weeks or more, will be paid on the head's, deputy head range or assistant head range, as the case may be and as determined by the pay committee. Payment will be backdated to the commencement of the duties.

31. Pay Progression

- 31.1 This is applicable to all Teaching Staff including those on Leadership Scales.
- 31.2 From 1 September 2024, the Government allowed schools to determine their progression process and it is no longer required to be related to pay outcomes/progression for teachers and leaders however, the statutory requirements to make a pay decision following the completion of the appraisal process remains. Therefore, pay progression after an appraisal review will be automatic (Every two years for staff on the Upper Pay Range) Significant concerns about a teacher's performance should be raised in writing with the teacher during the annual appraisal cycle and sufficiently addressed through support provided by the school by the conclusion of that process. Concerns about capability should be managed through the schools capability policy. Pay progression may be withheld if a teacher is in capability proceedings.
- 31.3 In this school all teachers can expect to receive regular, constructive feedback on their annual appraisal that recognises their strengths, informs plans for their future development, and helps to enhance their professional practice. The arrangements for teacher appraisal are set out in the School's Appraisal Policy. There will be meetings throughout the appraisal process so that all teachers are aware of their performance
- 31.4 In the case of ECTs, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process.
- 31.5 In the case of early career teachers (ECTs), the school must determine pay recommendation by means of the statutory induction process set out in the Education (Induction Arrangements for School Teachers) (England) Regulations 2012(8). The school must also ensure that ECTs are not negatively affected by the extension of the induction period from one to two years. This change does not prevent a school from awarding pay progression to ECTs at the end of the first year. (As set out in **Part 3, Paragraphs 13 of the STPCD**).
- 31.6 ECTs should expect to progress at the end of the first year in line with the ECT framework.
- 31.7 To be fair and transparent, assessments will be properly rooted in evidence. In this school we will ensure fairness by quality assurance and moderation by the Governing Body.
- 31.8 Final ratification of pay recommendation will be made by the Governing Body, having regard to the appraisal report and taking into account advice from the senior leadership team. The Governing Body will consider its approach in the light of the school's budget and ensure that appropriate funding is allocated for automatic pay progression at all levels.

32. Lead Practitioners

Leading Practitioner Posts

- 32.1 Teachers are entitled to be paid on the pay range for leading practitioners if they are in a post whose primary purpose is to model and lead improvement of teaching skills.
- 32.2 Teachers on the pay range for leading practitioners must be an exemplar of teaching skills, lead the improvement of teaching skills in their school and carry out the professional responsibilities of a teacher other than a Head Teacher, including those responsibilities delegated by the Head Teacher.

- 32.3 A teacher on the pay range for leading practitioners must take a leadership role in developing, implementing, and evaluating policies and practice in their workplace that contribute to school improvement. This might include:
- a) coaching, mentoring and induction of teachers, including trainees and newly qualified teachers;
 - b) disseminating materials and advising on practice, research and continuing professional development provision;
 - c) assessment and impact evaluation, including through demonstration lessons and classroom observation;
 - d) helping teachers who are experiencing difficulties.
- 32.4 They may also be required to undertake this role in other schools or in relation to teachers from other schools.

Pay on appointment

- 32.5 The Pay Committee will determine a pay range of **£61,858** from minimum to £88,930 maximum for each leading practitioner post.

33. Classroom Teachers' Pay

Pay on appointment – main, upper and unqualified pay scales

- 33.1 Although governing bodies are no longer required to match a teacher's existing salary on either the main, upper or the unqualified pay scales, governors will seek to match the existing salary of teachers applying for posts in the school. In exceptional circumstances the governing body reserves the right to consider offering an equivalent or higher alternative salary level by using its discretion to offer a recruitment and incentive benefit to secure the candidate of its choice. Before making such a decision, the Governing Body will have taken due regard to:
- the nature/requirements of the post;
 - the level of qualifications, skills, experience and specialist knowledge;
 - the Equality Act 2010;
 - market conditions;
 - recognising other teaching or non-teaching experience;
 - the wider school context.

34.2 Where the teacher is subject to the Appraisal Regulations 2012, the Pay Committee will award one additional point I (**paragraph 18.2.1** (c), the STPCD 2012).

34.3 Appraisal objectives will be commensurate with the level of a teacher’s experience.

34.4 Teachers who are not present at the time of the annual appraisal, for example, due to maternity or adoption leave or long-term sickness absence, will have their appraisal undertaken on their return to work based on evidence of their appraisal prior to their absence.

34.5 It should be noted that such absences could result in teachers being away from work for an entire academic year, however targets should have been set at some point prior to the absence and it will be these targets that will be assessed.

34.6 If absence is planned then as set out below, targets should be re-assessed in order to make them realistic and achievable, and assessed at the appraisal meeting following the return to work. If absence is unplanned, then the targets set should be assessed at the appraisal meeting following the return to work, based on evidence of their appraisal prior to the absence.

34.7 Teachers who, for reasons of maternity or other leave miss significant periods during the cycle, should have their targets reassessed to make them more realistic and achievable, while still rigorous, bringing them in line with the school’s appraisal cycle.

34.8 While a teacher is subject to capability proceedings, pay progression may be withheld.

35. Classroom Teachers pay - Lewisham Upper Pay Range

Pay scale effective from 1 September 2025

36. Applications to be paid on the Upper Pay Range

- 36.1 If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the UPR in that school(s).
- 36.2 All applications should be based on completion of appraisals under the Appraisal Regulations 2012. Where such information is not applicable or available, a written statement and summary of evidence designed to demonstrate that the applicant must be submitted by the applicant.
- 36.3 For the assessment to be robust and transparent, it will be an evidence-based process only. Teachers should ensure that they have their last two academic appraisal reviews as evidence to support their application. Those teachers who are not subject to the Appraisal Regulations 2012, or who have been absent, through sickness, disability or maternity, may cite written evidence from a 3-year period before the date of application, from their school and other schools, in support of their application.

37. Process

- 37.1 One application may be submitted annually to apply to enter the upper threshold pay scale. The closing date for applications is normally 31st October each year; however, exceptions will be made in particular circumstances, e.g. those teachers who are on maternity leave or who are currently on sick leave. Headteachers should speak to employees who have returned from maternity/sickness and provide them with a new closing date, recommend 30 working days from date of return.
- 37.2 If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the upper pay range in that school or schools. This school will not be bound by any pay decision made by another school.

The process for applications for UPS is:

Model UPS application form can be found at [Appendix 8](#).

- a) Teacher to complete the UPS application form;
- b) Submit the application form and supporting evidence to the head teacher by the cut-off date of 31 October;
- c) The assessor (the head or deputy head) will assess the application, which will include a recommendation to the pay committee of the governing body;
- d) The application, evidence and recommendation will be passed to the head teacher for moderation purposes, if the head teacher is not the assessor;
- e) The pay committee will make the final decision, advised by the head teacher;
- f) Teachers will receive written notification of the outcome of their application, as decided by the pay committee, within 21 school working days of the original submission or by 30th November (if application submitted by 31st October). Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's assessment did not satisfy the relevant criteria set out in this policy (see 'Assessment' below).
- g) Successful applicants will move to the minimum of the UPR from the start of that academic year.
- h) Unsuccessful applicants can appeal the decision. The appeals process is set out at the back of this pay policy at appendix 3

Please note that the above process is for applications for UPS only. Thereafter, increases within the range are every two years. The Pay Review and Appeals for Teachers, Section 57, does not apply for UPS applications and is for pay determination only within mainscale.

38. Teacher Standards: Assessment

38.1 The teacher will be required to meet the criteria set out in **P3.para 15.2** of the STPCD, namely that:

- the teacher is highly competent in all elements of the relevant standards; and;
- the teacher’s achievements and contribution to an educational setting or settings are substantial and sustained.

In this school, this means:

38.2 “highly competent”: the teacher is assessed as having excellent depth and breadth of knowledge, skill and understanding of the Teachers’ Standards in the particular role they are fulfilling and the context in which they are working.

38.3 “substantial”: the teacher’s achievements and contribution to the school are significant, not just in raising standards of teaching and learning in their own classroom, or with their own groups of children, but also in making a significant wider contribution to school improvement, which impacts on pupil progress and the effectiveness of staff and colleagues.

38.4 “sustained”: the teacher must have had two consecutive successful appraisal reports and have made good progress towards their objectives during this period (see exceptions in the introduction to this section). They will have been expected to have shown that their teaching expertise has grown over the relevant period.

38.5 Further information, including information on sources of evidence, is contained within the school’s appraisal policy.

39. Allowances for classroom teachers

Teaching and Learning Responsibility Payments (TLR1 & 2)

39.1 The Pay Committee will use the Lewisham recommended reference points as shown below and in [Appendix 1](#).

		£			£
TLR1	a	10,174	TLR2	A	3,527
	b	12,523		B	5,867
	c	14,799		C	8,402
	d	17,216		D	8,611

39.2 The Pay Committee may award a TLR to a classroom teacher in accordance with **P4.para 20** of the STPCD and **S3.paras 47 – 54**. TLR 1 or 2 will be for clearly defined and sustained additional responsibility in the context of the schools staffing structure for the purpose of ensuring the continued delivery of high quality teaching and learning. All job descriptions will be regularly reviewed and will make clear, if applicable, the responsibility or package of responsibilities for which a TLR is awarded, taking into

account the criterion and factors set out at **P4.para 20.4**.

- 39.3 TLRs will be awarded to classroom teachers undertaking a sustained responsibility in accordance with the conditions laid down in the STPCD. Such TLRs will be assigned to specific posts within the school's staffing structure.
- 39.4 In awarding a TLR 2 payment, the school is satisfied that the teacher's duties include a significant responsibility for which they are accountable, not required of all classroom teachers, and that-
- a) is focused on teaching and learning;
 - b) requires the exercise of a teacher's professional skills and judgment;
 - c) requires the teacher to lead, manage and develop a subject or curriculum area or to lead and manage pupil development across the curriculum;
 - d) has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils;
 - e) involves leading, developing and enhancing the teaching practice of other staff.
- 39.5 In awarding a TLR 1 payment, the school is satisfied that in addition to the criteria detailed above the teacher will also carry line management responsibility for a significant number of people.
- 39.6 From 1 September 2025, relevant bodies may determine the value of any existing or new TLR1 or TLR2 payment, based on the proportion of the TLR the teacher is undertaking, i.e. the proportion of the full-time equivalent responsibility. Where a part-time teacher is taking on the responsibilities associated with a TLR1 or a TLR2, governing bodies are no longer mandated to utilise the pro-rata principle previously used, when determining the value of the payments. Equally, a part-time TLR may be awarded to a full-time teacher, where the responsibilities are being shared with another teacher. For the avoidance of doubt, relevant bodies must act fairly and appropriately when determining the value of a TLR 1 or TLR2 payment.
- 39.7 From 1 September 2026, it will be a requirement that relevant bodies determine the value of all existing and new TLR 1 and TLR 2 payments, based on the proportion of the full-time equivalent responsibility.

40. Teaching and Learning Responsibility Payments (TLR3)

- 40.1 The Pay Committee may award a TLR3 of between **£702 to £3,478** for clearly time-limited school improvement projects, or one-off externally driven responsibilities as set out in **P4.para 20.3**. The Governing Body will set out in writing to the teacher the duration of the fixed term, and the amount of the award will be paid in monthly instalments. No safeguarding will apply in relation to an award of a TLR3.
- 40.2 The Governing Body should not award consecutive TLR3s for the same responsibility.
- 40.3 All TLR3s will be advertised internally, and all qualified teachers employed in the school will have an opportunity to apply for them. The schools will share and discuss with the trade unions the creation of TLR3 posts.
- 40.4 Teachers should not be expected to undertake permanent additional responsibilities without the payment of a TLR 1 or 2.
- 40.5 The values of TLRs have been set by the Governing Body and are shown in the school's staffing structure [Appendix 5](#) and their values in the attached pay scales at

Appendix 1. The school will review the cash value of the TLRs annually in the light of pay awards made under the STPCD.

41. Special Educational Needs Allowance

- 41.1 The Pay Committee will award an SEN spot value allowance on a range of between **£2,787** and **£5,497** to any classroom teacher who meets the criteria as set out in **P4.para 21** of the STPCD.
- 41.2 When deciding on the amount of the allowance to be paid, the Governing Body will take into account the structure of the school's SEN provision, whether any mandatory qualifications are required for the post, the qualifications or expertise of the teacher relevant to the post; and the relative demands of the post (**P4.para 21.2** of the STPCD). The Governing Body will also establish differential values in relation to SEN roles in the school in order to reflect significant differences in the nature and challenge of the work entailed so that the different payment levels can be objectively justified. The Governing Body will take account of **S3.paras 56-60**.

42. Special Educational Needs Allowances

- 42.1 An SEN allowance will be paid to eligible classroom teachers under the provisions of the STPCD. The STPCD sets maximum and minimum values for such payments.
- 42.2 Where an SEN allowance is paid the spot value will be determined by taking account of the school's SEN provision and:
- whether any mandatory qualifications are required for the post;
 - the qualifications or expertise of the teacher relevant to the post; and
 - the relative demands of the post.

43. Unqualified Teachers

Unqualified Teachers Pay on appointment

- 43.1 The Pay Committee will pay any unqualified teacher in accordance with **P3.para 17.1** of the STPCD. The Pay Committee will determine where a newly appointed unqualified teacher will enter the scale, having regard to any qualifications or experience they may have, which they consider to be of value.

Minimum	£28,343
UQ2	£30,935
UQ3	£33,528
UQ4	£35,814
UQ5	£38,402
Maximum	£40,994

- 43.2 The school will only employ unqualified teachers where they are:
- giving instruction in any art, skill, subject or group of subjects (including any form of vocational training) and have special qualifications and/or experience and where no suitable qualified teacher, graduate teacher, registered teacher or teacher on an employment-based teacher training scheme is available;
 - persons granted a licence under the provisions of Part II of Schedule 2 to the Education (Teachers) Regulations 1993;

- student teachers, teacher trainees who have yet to pass the skills test and those undertaking employment based teacher training leading to QTS; or
 - assistant teachers at a nursery school or teachers of a nursery class, who were employed as teachers under the Education (Teachers) Regulations 1982 before 1 September 1989.
 - teachers in Early Years who hold Early Years Teacher Status
- 43.3 Those beginning work as unqualified teachers will be placed on the minimum of the new pay range, unless the Governing Body determines that they have other relevant experience, in which case the salary will be reviewed in light of that experience.
- 43.4 The Pay Committee will consider whether it wishes to pay an additional allowance when they consider the basic salary is not adequate, having regard to their responsibilities, qualifications and experience in accordance with **P4.para 22** of the STPCD. It may be determined that an additional allowance is payable where it is considered that the unqualified teacher has:
- sustained additional responsibility that is focused on teaching and learning and requires the exercise of a teacher’s professional skills and judgement ; or
 - qualifications or experience which bring added value to the role they are undertaking.
- 43.5 Unqualified teachers will not hold TLRs or SEN allowances.
- 43.6 Progress up the unqualified teachers range will be automatic, annually.
- 43.7 If the evidence shows that a teacher has exceptional performance, the Governing Body may award enhanced pay progression of 1 additional point.

44. An unqualified teacher who becomes qualified

- 44.1 Upon obtaining qualified teacher status an unqualified teacher will be transferred to a salary within the Main Pay Range for Teachers.
- 44.2 Where the teacher continues to be employed by the same school within which they were employed before they obtained qualified teacher status the teacher will be paid a salary which is the same as, or higher than, the sum of the salary and any other allowance they were receiving (including any safeguarded sum), as the Governing Body considers to be appropriate.
- 44.3 A teacher who obtains qualified teacher status retrospectively under the regulations will be paid a lump sum by the relevant body responsible for the payment of remuneration at the time when qualified teacher status was effectively obtained.
- 44.4 The aforementioned lump sum will be the difference (if any) between the remuneration the teacher was actually paid as an unqualified teacher and the salary (not including any allowances) the teacher would have been paid as a qualified teacher, from the date qualified teacher status was effectively obtained to the date when the lump sum is paid.

45. All Teachers

Part-Time Teachers

- 45.1 Teachers employed on an on-going basis at the school but who work less than a full working week are deemed to be part-time. The Governing Body will give them a written statement detailing their working time obligations and the standard mechanism used to determine their pay, subject to the provisions of the statutory pay and working time arrangements and by comparison with the school’s timetabled teaching week for a full-

time teacher in an equivalent post.

45.2 Teachers: The Governing Body will apply the provisions of the STPCD in relation to part-time teachers' pay and working time, in accordance with **P6.paras 40-42 and P7. Para 51.5**, and **S3.paras 39-44 & 79- 86** of the STPCD.

45.3 All staff: The Head and Governing Body will seek to ensure that all part-time employees are treated no less favourably than a full-time comparator.

46.Short Notice/Supply Teachers

46.1 Teachers employed on a day-to-day or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; For this academic year 2025/2026 please refer to paragraph 8.1 of this policy. Periods of employment for less than a day being calculated pro-rata in accordance with **P6.para 42** of the STPCD. Temporary and fixed term contracts will only be used where the school can justify a genuine requirement e.g. maternity or long term sickness cover.

46.2 When a governing body is required to determine the salary of a part-time teacher in accordance with the pro rata principle it must do so not only in relation to those hours that a part-time teacher normally works under the contract of employment but also in relation to any additional hours the teacher may agree to work from time to time at the request of the headteacher or, in a case where the part-time teacher is a headteacher, the Chair of Governors.

47.TLR 1 and TLR2 safeguarding (full details found in STPCD 2025 and/or from Schools' HR)

47.1 Safeguarding applies to teachers in the following circumstances:

a. where the governing body determines, whether as a result of a change to its pay policy or to the school's staffing structure, that the duties for which the teacher was awarded a TLR1 or TLR2 or an unqualified teacher's allowance are no longer to include the responsibility for which the respective allowance was awarded or are to include a different responsibility, or the responsibility (whether or not it has changed) merits an allowance of a lower annual value; or:

b. the governing body determines:

i. to reduce the number of members of the leadership group or teachers paid on the range for leading practitioners; or

ii. to lower a pay range applicable to a member of the leadership group or a teacher on the pay range for leading practitioners.

47.2 Safeguarding period

Unless otherwise provided for in this document, the governing body must pay a safeguarded sum until:

a) the date on which the safeguarding period ends, being the third anniversary of the date on which a teacher (subject to paragraph 29.1(a) STPCD 2025) starts work in the new post referred to therein and in all other circumstances the third anniversary of the relevant date as defined below;

b) b) where a safeguarded sum is paid in respect of an allowance awarded to a teacher or a post held by a teacher for a fixed period or to a teacher employed under a fixed-term contract, the date on which that fixed period or fixed-term contract expires;

- c) c) where a safeguarded sum is awarded in respect of a payment or allowance awarded to a teacher whilst occupying another post in the absence of the post-holder, the date on which the entitlement to the allowance would have ended but for the circumstances which gave rise to the entitlement to the safeguarded sum;

47.3 Calculating relevant safeguarding dates

For the purposes of calculating the third anniversary of the relevant date as referred to in paragraph 32.1(a), the relevant date is as follows:

- a) in respect of a decision taken between 1 September and 31 December, the following 1 January; or
- b) in respect of a decision taken between 1 January and 31 March, the following 1 April; or
- c) in respect of a decision taken between 1 April and 31 August, the following 1 September

48. Additional Payment

48.1 In accordance with **P4.para 26** and **S3.para 60-69** of the STPCD, the governing body may make payments as they see fit to a teacher, including a Head Teacher in respect of:

- continuing professional development undertaken outside the school day;
- activities relating to the provision of initial teacher training as part of the ordinary conduct of the school;
- participation in out-of-school hours learning activity agreed between the teacher and the Head Teacher or, in the case of the Head Teacher, between the Head Teacher and the governing body;
- additional responsibilities and activities due to, or in respect of, the provisions of services by the Head Teacher relating to the raising of educational standards to one or more additional schools. The payment of recruitment and retention incentives may be considered in respect of individual non-leadership posts for which specific recruitment/retention difficulties have been identified. Any use of such payments will be applied on a non-discriminatory basis and on the basis of clearly defined criteria determined by the Governing Body from time to time. Please refer to current criteria in [Appendix 4](#) to this policy.

48.2 The Pay Committee will make additional payments to teachers in accordance with the provisions of **P4.para 26** of the STPCD where advised by the Head Teacher.

48.3 Payment will be calculated on a daily basis at 1/195th of the teacher's actual salary.

49. Recruitment and Retention Incentive Benefits

Non-leadership

49.1 The payment of recruitment and retention incentives may be considered in respect of individual non-leadership posts for which specific recruitment/retention difficulties have been identified. Any use of such payments will be applied on a non-discriminatory basis and on the basis of clearly defined criteria determined by the Governing Body from time to time. Please refer to current criteria in [Appendix 4](#) to this policy.

- 49.2 The Pay Committee will consider exercising its powers under **P4.para 27** of the STPCD where they consider it is appropriate to do so in order to recruit or retain relevant staff. It will make clear at the outset, in writing, the expected duration of any such incentive or benefit, and the review date after which they may be withdrawn.
- 49.3 Where it is determined to pay such an incentive/benefit, the amount will be determined to meet the circumstances of the case. The level of payment and any required qualifying period of service will be set out in writing to the teacher concerned.
- 49.4 Where the Governing Body makes one or more such payments, or provides such financial assistance, support or benefits in one or more cases, the Governing Body will conduct a regular formal review of all such awards. The expected duration of any such incentives and benefits will be made clear at the outset, including the review date after which they may be withdrawn. The Governing Body can award lump sum payments, periodic payments, or provide other financial assistance, support or benefits for a recruitment or retention incentive (**P4.para 27 and S3.paras 70-72** of the STPCD).

Leadership

- 49.5 No new awards of recruitment and retention incentive benefits will be made to a head teacher, deputy head teacher, or assistant head teacher [effective from 1 September 2014]. However, where the governing body is already paying such an incentive or benefit, determined under a previous Document, subject to review, it may continue with it, at its existing value, until such time as the leadership group member moves to the new leadership group pay arrangements, as set out in the Document 2014. (**See also para 24.1 of this document**)
- 49.6 The Governing Body will, nevertheless, conduct an annual formal review of all such awards.

50.Support Staff

Support Staff Pay

- 50.1 The Pay Committee notes its powers to determine the pay of support staff in accordance with **paragraph 17 and 29 of the School Staffing (England) Regulations 2009 and Chapter 7 of the associated guidance**. The Pay Committee will determine the pay grade of support staff on appointment in accordance with the scale of grades, currently applicable in relation to employment with the LA, which the Pay Committee consider appropriate for the post. In reaching its determination, the Pay Committee will consider the advice of the LA but will not consider itself bound by that advice. The appeals process is set out in the [Appendix 3](#) to this policy. Please refer also to paragraph 13 of this document.
- 50.2 The Council/School's current policy is to apply the nationally negotiated NJC pay award for Greater London Provincial Council (GLPC) graded employees which takes effect from 1st April each year.
- 50.3 The following increases to pay scales will be effective from 1 April 2025:
- An increase of 3.2% to spine points
- 50.4 The pay award covers the period from 1 April 2025 to 31 March 2026.

Pay on appointment

- 50.5 The starting point within the Grade' salary range for all newly appointed employees will be at the minimum point of the scale at which the job is graded. Exceptions may be made:
- a) where the candidate is currently in receipt of a higher salary, (excluding bonuses or benefits) in their current paid employment and would therefore be

disadvantaged if placed on the minimum. In such circumstances the Council/School will consider matching their current salary providing it does not exceed the grade of the post.

- b) for applicants who are currently unemployed; the Council/School will consider matching their last paid employment.

Pay progression

- 50.6 Employees who are appointed (or re-graded) between 1 April and 30 September will receive their first increment on 1 April of the following year. Employees appointed between 1 October and 31 March will receive their first increment the following 1 April. Progression will then be annually on 1 April until the top of the scale is reached. If you are appointed to the maximum of the scale, you will not receive further increments

51. Probation

- 51.1 All new employees are required to complete a six-month (22 working weeks for term time only staff) probationary period (even if the employee is joining the school from another local authority). During this period, three formal reviews will be undertaken. Existing employees moving to other jobs within the School / Council will be subject to a review period in line with the principles of the probationary procedure.

52. Additional Payments –Support Staff

Overtime / Additional hours

- 52.1 Overtime is not a feature of employment, but if necessary, additional hours and overtime will be paid in accordance with your National Scheme of Conditions of Service ('Green Book') only where appropriate and agreed with management. Overtime is defined as hours worked in excess of 35 hours per week. Additional hours are those in addition to the employee's contracted hours and 35 hours per week.
- 52.2 Employees, in receipt of basic pay at or below spine point 20, who are required to work beyond the full-time equivalent hours for the week in question or on Saturday or Sunday or on public holidays are entitled to compensation as set out below.

(a) Additional Hours

Employees who are required to work additional hours beyond their working week are entitled to receive enhancements on the following basis:

Monday to Friday	Plain time
Saturday	Time and a quarter
Sundays and Public and Extra Statutory holidays	Double time (min 2 hours)

(Part-time employees are entitled to these enhancements only at times and in circumstances in which full-time employees in the establishment would qualify. Otherwise, a full working week for full-time employees shall be worked by a part-time employee before these enhancements apply).

53. Acting Allowances and Honoraria

Definitions

- 53.1 An Acting allowance is payable to an employee who is covering a higher grade post for 100% of the duties, for a temporary period. (Paid as a monthly allowance).

- 53.2 An Honorarium is payable as recognition for covering less than 100% of the duties of another post which are outside of the scope of the employee's current job description, or for a specific piece of project work. (Paid as a monthly allowance or a single retrospective lump sum).

Payments

- 53.3 Acting Up allowances and Honoraria payments will only be made in the following circumstances:
- covering a vacancy where recruitment to fill the post permanently is underway
 - covering a vacancy pending the completion of a restructuring exercise
 - cover for maternity leave
 - cover for long term sickness absence
 - taking on additional responsibility for a particular time limited project.
- 53.4 Payment will not start until the post being covered has been vacant for a minimum of 1 month. Payment will initially be for a maximum period of 3 months and must be reviewed.
- 53.5 An honorarium payment is a fixed rate of pay, with reference to the employee's current rate of pay and the scope of additional duties undertaken.
- 53.6 An employee undertaking the full duties of a post (acting allowance) is entitled to receive a salary in accordance with the grade of the post temporarily occupied.

54. Calculation of a day's pay for pay in lieu of annual leave, strike and unpaid leave

54.1 Teachers' calculations for deduction of pay and additional hours

Where authorised unpaid leave of absence or unauthorised absence (e.g. strike action) occurs deductions of salary shall be calculated at a daily or part-daily rate based on the day's salary being 1/365th of a year for each day of the period of absence.

Payment for additional hours are based on 1/365th for fulltime staff or on an hourly rate however, for part time staff it will be 1/195. In order to obtain the hourly rate, use the annual salary x 7/365/27.50

When advising payroll of a teacher's part time hours, please ensure you stipulate the hours and times of days worked as this may have an effect on the calculation. E.g. a calculation for a teacher who works just mornings, may be different to a teacher that works 0.4 over 2 full days. **See S3, para 39-44**

54.2 Support staff calculations for deduction of pay

Where authorised unpaid leave of absence or unauthorised absence (e.g. strike action) occurs deductions of salary shall be calculated at 1/365th of a year for each day of the period of absence.

Full time Hourly Rate x number of contractual hours worked in a day

Eg: £26,193 ÷ 365 x 7/35 = Full time Hourly rate = £14.3523

Using 5 hrs a day = 5 x £14.3523 = £71.76

55. Other Pay arrangements – All School Staff

Out-Of-School Learning Activities ('OOSLA') S3.para 69

- 55.1 The school acknowledge that some teachers and support staff supervise out of school activities i.e. sports club, drama and music productions, revision classes and other

events purely on a voluntary basis. The school is extremely grateful to teachers and support staff who support pupils in this way. The school acknowledges that these activities are entirely voluntary and that teacher and support staff should not feel under any obligation (moral or contractual) to provide these services. The school also acknowledge that many other teachers support pupils in other ways.

- 55.2 There may be times where the governors feel that it is in the best interest of the school to provide certain out of school learning activities on a more formal basis. In these cases, the school may offer a payment to a teacher who undertakes such activities. No teacher will be compelled to offer such an activity but, where they do, the governors will expect a more formal commitment from the teacher and that the Head Teacher may direct the place, timing, frequency of the activity as well as which pupils take part and the content.
- 55.3 Payments to classroom teachers should only be made in respect of those activities undertaken outside of either the 1265 hours of directed time for full-time teachers or the appropriate proportion of the 1265 hours of directed time for part-time teachers. All agreements and payments to be made should be documented. All such activities should require the exercise of the teacher's professional skills or judgement.
- 55.4 Support staff and One-to-One Tutors will be paid in accordance with the national framework for pay. Rates paid for this work should be known and clear from the outset of taking on the duties. Schools may choose to pay additional hours at the grade for which the employee is already contracted, or at an evaluated grade under a separate contract. See support staff pay rates at Appendix 2

56. Salary Sacrifice Arrangements

- 56.1 Where the employer operates a salary sacrifice arrangement, such as childcare vouchers for existing members of the scheme, or cycle scheme, a teacher may participate in any arrangement and the gross salary shall be reduced accordingly, in accordance with the provisions of **P4. para 28** of the STPCD, similarly, for support staff, HMRC approved salary sacrifice arrangements such as the ones noted gross salary shall be reduced accordingly, but the unreduced gross pay will remain pensionable under the 2014 Scheme.

57. Pay Review and Appeals – Teachers

This process performs the function of the grievance procedure on pay matters and determinations cannot therefore be reopened under general grievance procedures
For Pay Reviews for UPS please see section 37.3

Pay Determinations and Informal Review

- 57.1 The School Teachers' Pay and Conditions Document ("the Document") requires schools and local authorities to have a pay policy in place that sets out the basis on which teachers' pay is determined and the procedure for handling appeals.
- 57.2 As part of the overall appraisal process, a pay determination is completed by the Reviewer (normally the line manager). Written details of and the reasons for the pay determination should be given to the teacher before the determination is passed to the school's Pay Committee or relevant determination making body (this may be the Headteacher). The teacher should also be informed of their right to have a review of the determination.
- 57.3 At this stage of the pay determination process, if the teacher wishes to better understand the rationale for the pay determination or if the teacher is not satisfied with the pay determination, they should write to the Reviewer within 5 working days of

receiving the determination. The request for an informal review of the determination should set out the reasons for the request. The Reviewer will arrange a meeting with the teacher.

- 57.4 The teacher may bring any further evidence to the attention of the Reviewer at this meeting. At the conclusion of any further discussion, the pay determination may be adjusted, or it may remain the same; A note of the discussion and decision will be retained. Written details of and the reasons for the final pay determination will be given to the teacher.
- 57.5 There is no right for the employee to be accompanied at this stage of the procedure.
- 57.6 If a teacher believes that the final pay determination falls short of their expectations and they wish to seek a Formal Review of the information that affects their pay, they should send a request to the Headteacher, outlining their reasons.

58. Formal Review meeting

- 58.1 A Formal Review against a pay determination must be lodged with the Headteacher within 5 working days of the date when the teacher receives written confirmation from the Reviewer of the final pay determination or of the date when the teacher receives the outcome of the pay review. It must clearly state the grounds for the appeal.
- 58.2 A Formal Review will be arranged and the panel will normally consist of the Headteacher and another senior leader in school (who is not the Reviewer). Where this is not possible, it may be necessary for a governor to sit on the panel. Should the Headteacher be the Reviewer, then two non-staff governors who are not on the Pay Committee would make up the panel. The outcome of the meeting will be conveyed to the teacher in writing within 5 working days. The Formal Review procedure would follow the appeal procedure at **Appendix 3**.
- 58.3 There is a right to appeal against this decision.

59. Right to be accompanied

- 59.1 The teacher has the right to be accompanied by a work colleague or trade union representative at the Formal Review meeting and the Appeal Hearing. If the employee's representative is not available at the time fixed for the meeting, it must be rescheduled to accommodate the availability of the companion, so long as a reasonable alternative date is proposed which is within 5 working days of the originally proposed date.

60. Appeal

- 60.1 An appeal against a pay determination can be lodged within 5 working days of the date when the teacher receives written confirmation of the outcome of the Formal Review. It must clearly state the grounds for the appeal. Appeal Hearings against pay decisions must satisfy the dispute resolution requirements of employment law (i.e. Part 4 of the Trade Union and Labour Relations (Consolidation) Act, 1992) and the ACAS Code of Practice. A model procedure for an appeal hearing can be found at **Appendix 3**.

61. Grounds for Appeal

- 61.1 The only grounds which will be accepted as the basis of an appeal are that the person by whom the determination was made are claimed to have: -
- (a) Incorrectly applied any provision in the School Teachers' Pay & Conditions Document;
 - (b) Incorrect application of the pay policy;
 - (c) Failed to have proper regard to statutory guidance;
 - (d) Failed to take proper account of relevant evidence;

- (e) Taken account of irrelevant or inaccurate evidence;
 - (f) Been biased and/or unlawfully discriminated against the teacher.
- 61.2 The appeal will be heard by a committee of the Governing Body and their decision will be final.
- 61.3 The outcome of the appeal will be conveyed to the teacher in writing within 5 working days of the hearing and the final pay determination passed to the Pay Committee.

Appendix 4: Sample Criteria for Recruitment & Retention Allowance

Philosophy

We believe in the importance of having a school, which is a safe, secure and attractive place to work and where the staff feel valued, empowered and supported.

We believe that retaining, developing and motivating the school's workforce is a key to providing the best education for our pupils.

We believe in a consistent and equitable approach to the appointment of all staff.

The purpose of the allowance is for recruitment and retention, not for carrying out specific responsibilities or to supplement pay in other ways.

Allowances

The Governing Body will pay recruitment awards to [] of [£ amount] for a maximum of [three] years in the following circumstances to be discussed and REVISED

Schools to insert reasons which could be

- ***Teachers in shortage subjects***
- ***Poor response to adverts as evidenced by the need to re-advertise***

The Governing Body will pay retention awards to [] of [£ amount] for a maximum of [three] years. This may be extended.

The Governing Body will review the level of payment/benefits [annually].

The Governing Body will make clear at the outset the expected duration of the allowance and the review date after which it may be withdrawn.

Appendix 8: Model Threshold Application Guidance/Form

SCHOOL: _____

(For teachers eligible to progress to point 1 of the Upper Pay Range (UPR) from 1 September

All qualified classroom teachers employed in maintained schools can apply if the following criteria can be met.

- The teacher is highly competent in all elements of the relevant standards:
and
- The teacher's achievements and contribution to an educational setting or settings are substantial and sustained.
- 2 successful academic appraisal reviews

Applications to be paid on the Upper Pay Range

Any qualified teacher can apply to be paid on the Upper Pay Range. If a teacher is simultaneously employed at another school(s), they may submit separate applications.

All applications should include the results of appraisals under the Appraisal Regulations 2012, including any recommendation on pay. Where such information is not applicable or available, a written statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant.

In order for the assessment to be robust and transparent, it will be an evidence-based process only. Teachers should ensure that they have their last two successful academic appraisal reviews as evidence to support their application. Those teachers who are not subject to the Appraisal Regulations 2012, or who have been absent, through sickness, disability or maternity, may cite written evidence from a 3 year period before the date of application, from their school and other schools, in support of their application.

Process:

One application may be submitted annually. The closing date for applications is normally *October 31st* each year; however, exceptions will be made in particular circumstances, e.g. those teachers who are on maternity leave or who are currently on sick leave. The process for applications is:

- a) Teacher to complete the UPS application form;
- b) Teacher to submit the UPS application form and supporting evidence to the line manager or head teacher by the cut-off date of *31st October*. For those employees returning from maternity or long term sick leave, the form should be submitted within 30 calendar days of the return to work date.
- c) The teacher will receive confirmation of receipt of their application within 5 working days and be advised who will complete the assessment. The assessor is usually the direct line manager of the teacher.
- d) The assessor will assess the application, which will include a recommendation
- e) The assessor will notify the teacher of their initial recommendation within 5 school working days. If requested, oral feedback will be provided by the assessor. Oral feedback will be given within 5 school working days of the request. Feedback will be given in a positive and encouraging context /environment and will include advice and support on areas for improvement in order to meet the relevant criteria. The teacher will be offered the opportunity to provide additional evidence. The assessor may change the recommendation in light of the evidence before passing onto the moderator. The assessor will update the teacher about their recommendation and will advise the teacher that all evidence will be passed on to a moderator who will make their final recommendation to the pay committee.

- f) The application, evidence and recommendation will be passed to the head teacher for moderation purposes, if the head teacher is not the assessor; If the headteacher is the assessor, this will be passed on to the Executive Headteacher or the Chair of the Governing Body or the School Improvement Advisor for moderation purposes.
- g) The Pay Committee will make the final decision, based on the advice by the moderator;
- h) Teachers will receive written notification of the outcome of their application as decided by the pay committee, within 21 school working days of the original submission or by 30th November (If application is submitted by 31st October) Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's assessment did not satisfy the relevant criteria set out in this policy (see 'Assessment' below).
- i) Successful applicants will move to the minimum of the UPR from the start of that academic year.
- j) Where an application is unsuccessful the teacher will be given feedback, support and professional development opportunities to help them address any criteria they are not considered to have met so they can make a successful application in the future.
- k) Unsuccessful applicants can appeal the decision. The appeals process is set out at the back of this pay policy in **Appendix 3**.

Please note that the above process is for applications for UPS only. The Pay Review and Appeals for Teachers, Section 57, does not apply for UPS applications and is for pay determination only within mainscale.

Assessment:

The teacher will be required to meet the criteria set out in **S2 para 15.2** of the STPCD, namely that:

1. The teacher is highly competent in all elements of the relevant standards; and
2. The teacher's achievements and contribution to and educational setting or settings are substantial and sustained.

In this school, this means:

“highly competent”: the teacher is assessed as having excellent depth and breadth of knowledge, skill and understanding of the Teachers' Standards in the particular role they are fulfilling and the context in which they are working.

“substantial”: the teacher's achievements and contribution to the school/Federation are significant, not just in raising standards of teaching and learning in their own classroom, or with their own groups of children, but also in making a significant wider contribution school improvement, which impacts on pupil progress and the effectiveness of staff and colleagues.

“sustained”: the teacher must have had two consecutive successful appraisal reports and have made good progress towards their objectives during this period (see exceptions in the introduction to this section. They will have been expected to have shown that their teaching expertise has grown over the relevant period.

Further information, including information on sources of evidence is contained within the School's Appraisal Policy.

Teachers who have moved schools

If you have recently moved schools, your upper pay range application will be assessed by your new school. You can use appraisal reports and reviews from your previous school as evidence to support your application.

If you successfully applied to be paid on the upper pay range at your previous school, you will not automatically be eligible to be paid on the upper pay range at your new school. Your new school may accept the previous school's assessment, but they may also want to assess you against their own criteria.

Paragraph 33.1 of the school's pay policy which states:-

- Pay on appointment Although governing bodies are no longer required to match a teacher's existing salary on either the main, upper or the unqualified pay scales, governors will seek to match the existing salary of teachers applying for posts in the school. In exceptional circumstances the governing body reserves the right to consider offering an equivalent or higher alternative salary level by using its discretion to offer a recruitment and incentive benefit to secure the candidate of its choice. Before making such a decision, the Governing Body will have taken due regard to: the nature/requirements of the post;
- the level of qualifications, skills, experience and specialist knowledge;
- the Equality Act 2010;
- market conditions;
- recognising other teaching or non-teaching experience;
- the wider school context. “
